County Sabre – a Thursday evening in June - venue to be decided

New Clubs

Within the last year three new junior clubs have been started in the county; East Cambridgeshire meets at Stetchworth Leisure Centre and is being run by Gerry Doe and Fiona Turnbull. They have also started running a session in Saffron Walden. Dragon Fencing Club meets at Hardwick Junior School and is run by Philip West and has already started to send fencers to regional competitions.

All for One meets at Linton Village College and is run by Sarah Paveley. Sarah has just secured funding from Sport England and hopes to extend the reach of the club into other schools in South Cambs and Essex.

Coaching Course

Sarah Paveley has organized a coaching weekend with Prof Mike Law over the 19th/20th June. The cost will be £23 per day or £40 for both days. It is aimed at beginning or developing coaches and it is hoped will be the first of many coach development courses. Please contact Sarah asap if you are interested at sarah.fencing@jacobiteltd.com

Committee

We would like to get more people involved with the county committee so if you would like to have more of a say in what competitions are organized and how the county money is spent, please let us know. It is a very small commitment but would make an enormous difference to how things are run.

Foil League

Interest in the foil league seemed to have reached a low point last year but it was agreed that it is important for clubs to stay in contact with each other. Consequently we decided to institute a programme of “fencing fun” evenings, each hosted by one of the clubs and the exact form being decided by the club. The sort of things that were envisaged were mixed pairs/handicap/ mini team events or one hit epee. Nothing actually seems to have happened yet so if you have any ideas---!

The AGM

This will be held on Monday 13th September at the Robin Hood in Cherry Hinton. Please try to be there – this is considerable advance warning!

Competitions for 2010/2011

It has been proposed that individual clubs will take responsibility for running the competitions in the county calendar. This will be finalised at the AGM but it might be worth having a think which competitions your club might like to be involved with. All financial arrangements will of course be made by the CFA.

Newsletter

In order to keep everyone up to date on county developments and results etc it would be very helpful if clubs could send any info and results to the secretary, as soon as they are available . We also hope to include equipment ads., competition information and fencing gossip. Watch this space!.Please print out the newsletter and either distribute it or put up a copy for general club consumption.
